Hi Cheryl,

We heard back from the AA's chief of staff and would like to move forward with setting up a meeting with the drapery vendor. They would also like to have the painting and scraping done. Do we cut the PR to the painting vendor?

Thank you,

Delores

Good Afternoon Delores,

I hope this email finds you safe. I wanted to know if your office was going forward with repairs to the window sills in OCSPP AA's office, Room (b) (7)(F), the bay areas and Room (b) (7)(F) the DA's office. Also, I have reached out to ALG Drapery Cleaning and Installation, LLC. This is the vendor we use to make curtains/sheers and cornice boards. The AA's suite is in needs of new drapery. This company will provide brochures to look at different types of fabrics to make the drapes. Please let me know if you want me to go forward with scheduling a visit from the vendor. Thanks and call me if you have any questions.

Good Afternoon Delores and Recie,

See the attached quote from Omega Painting and Contracting. This will be the cost to make repairs to the window sills in OCSPP AA's office, 3130A, the bay area, Room 3130B and the DA's office in

Room 3130C. If you are interested in having the peeling paint around the window sills repaired, the bankcard holder in your office can reach out to Omega directly. Thanks and call me if you have any questions.

Good Afternoon John,

As promised, see pics of the windows in Suite 3130 in the East building (1201 Constitution Avenue, NW) that will need scrapping and painting. There are two windows in Room (b) (7)(F), one window in Room (b) (7)(F) and one window in Room (b) (7)(F). I will be available next Tuesday or Wednesday to escort you in to the space. Will you be able to provide me with a price quote for work by next Thursday. I would greatly appreciate it. Many thanks and give me a call on my cell if you have any questions.
